At the same time, the standard of living and welfare reached a record level in terms of justice, progress, equal opportunities, capacity building, utilisation of energies, women empowerment, a sophisticated infrastructure, and better public services, as well as comprehensive social care.

Today, in the light of these outstanding accomplishments, we are more advanced, cohesive, united behind our wise leadership and more determined to continue the economic growth to safeguard our union, as well as to defend our country which is built on justice, rule of law, security, happiness and prosperity."

Today, despite the challenges, we have made more impact at the regional and international levels in co-operation with our brothers and friends. We support the fight against extremism and terrorism, and exert efforts to reach a reconciliation between the parties, contribute to all efforts aimed at enhancing security, and integration and co-ordination of the GCC to safeguard Arab entity, as well as preserve regional and global peace.
